EXPERIENCE

Udemy
June 25 - Present
Instructor
I designed and published Georgia's first UX/UI design course on Udemy, tailored for beginners seeking a practical, structured path into the field.

Instagram
Jun 24 - present
Content creator
Creating and sharing posts and videos on Instagram, where I discuss design concepts tailored specifically for a Georgian audience.

Citypay.io
Oct 24 - Apr 25
Senior UX/UI designer
Worked on more than 10 products for an internal platform tailored to desktop and mobile devices.

Digital Institute
Jan 24 - May 24
UX/UI design lecturer
Teaching and guiding students in the field of UX/UI.

TBC Bank
Aug 18 - Sep 24
Product designer/researcher
Worked on more than 15 products for a mobile app, including a loyalty program, offers hub, QR copy & share feature, and two games. Supported a cross team in the development of the design system and UI-Kit.

Bitnet
Nov 21 - Mar 23
UX/UI consultant
Provided UX/UI design consultancy to a fintech company.

Bank of Georgia
Feb 22 - Jul 22
UX/UI designer
Created 5+ products for a mobile app, including KYC survey, Travelcard and QR withdrawal. Supported a cross-functional team in the development of the design system.

Gegidze
Jul 21 - Feb 22
UX/UI designer (contract)
Designed digital products for diverse industries: fintech, hospitality, fashion and public sector.

Porsche AG
Feb 21 - Jun 21
UX/UI designer (Code x Porsche A.G.)
Developed internal platform for ideation process. Lead UX research, the visuals and interactions.
